

## Notice to all customers – Corona Virus (Covid-19)

On March 26, B.C. Public Safety Minister Mike Farnworth released a list of essential and non-essential services in the face of the Covid-19 pandemic.

The province defines essential services as “essential to preserving life, health, public safety and basic societal functioning. They are the services British Columbians rely on in their daily lives.”

Our industry falls under the SANITATION category, specifically, environmental consulting firms, and recycling collection, processing and disposal. As such, HSR Services and HSR Zero Waste will maintain its regular office hours and can be reached at (604) 464.0242 or [recycle@happystan.com](mailto:recycle@happystan.com) to continuously take care of all your recycling and environmental needs.

We would like to assure you that we are implementing a comprehensive Covid-19 Health and Safety Plan to protect our workers as well as our clients. Please refer to the HSR Services Covid-19 Pandemic Planning for the health and safety actions implemented

We will endeavor to do our very best during this difficult time.

Thank you and we wish you, your families and team the best of health!
